

OATSPO

AGRONOMIC SHOWCASE

Tuesday
10 September 2024

11.45am arrival for 12pm lunch

Providing an overview of the latest oat research led by the state government funded and industry-led Processed Oat Partnership (POP).

Taking place in Highbury, this is a day not to be missed by West Australian oat and hay producers. The event will begin with lunch, sponsored by Quaker Oats, and conclude with a sundowner sponsored by Essantis.
